## NOTICE OF PROPOSED RULE MAKING

Adopted: July 12, 2000 Released: July 13, 2000

Comment Date: September 5, 2000

Reply Comment Date: September 20, 2000

By the Chief, Video Services Division:

- 1. The Commission has before it a petition for rule making filed by KWTX/KBTX License Corporation ("KWTX/KBTX), licensee of station KBTX, NTSC Channel 3, Bryan, Texas. KWTX/KBTX requests the substitution of DTV Channel 33 for it assigned DTV Channel 59 at Bryan.
- 2.. In support of its proposal, KWTX/KBTX states that adoption of its proposal would substitute a core spectrum allotment for a non-core spectrum allotment. KWTX/KBTX maintains that its proposed channel change would eliminate the need to design and construct two digital facilities and would substantially reduce the station's construction costs. KWTX/KBTX further notes that the Commission recognized the burden placed on licensees with out-of-core allotments and promised that efforts would be made to reduce the number of out-of-core allotments through future amendments of the Table of Allotments for DTV.
- 3. We believe petitioner's proposal warrants consideration. DTV Channel 33 can be substituted for DTV Channel 59 at Bryan, Texas, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates (30-33-16 N. and 96-01-51 W.). In addition, we find that this channel change is acceptable under the 2 percent criterion for deminimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). We propose to substitute DTV Channel 33 for DTV Channel 59 for station WKBTX-TV at Bryan with the following specifications:

proceeding, members of the public are advised that no <u>ex parte</u> presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An <u>ex parte</u> presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an <u>ex parte</u> presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an <u>ex parte</u> presentation and shall not be considered in the proceeding.

## **APPENDIX**

- 1. Pursuant to authority found in Sections 4(i), 5(c)(1), 303(g) and (r), and 307(b) of the Communications Act of 1934, as amended, and Sections 0.61, 0.204(b) and 0.283 of the Commission's Rules, IT IS PROPOSED TO AMEND the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules and Regulations, as set forth in the Notice of Proposed Rule Making to which this Appendix is attached.
- 2. Showings Required. Comments are invited on the proposal(s) discussed in the Notice of Proposed Rule Making to which this Appendix is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.
- 3. <u>Cut-off protection</u>. The following procedures will govern the consideration of filings in this proceeding.
- (a) Counterproposals advanced in this proceeding itself will be considered, if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments. (See Section 1.420(d) of the Commission's Rules).
- (b) With respect to petitions for rule making which conflict with the proposals in this Notice, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.
- (c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.
- 4. Comments and Reply Comments; Service. Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules and Regulations, interested parties may file comments and reply comments on or before the dates set forth in the Notice of Proposed Rule Making to which this Appendix is attached. All submissions by parties to this proceeding or by persons acting on behalf of such parties must be made in written comments, reply comments, or other appropriate pleadings. Comments shall be served on the petitioner by the person filing the comments. Reply comments shall be served on the person(s) who filed comments to which the reply is directed. Such comments and reply comments shall be accompanied by a certificate of service. (See Section 1.420(a), (b) and (c) of the Commission's Rules.) Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554.
- 5. <u>Number of Copies</u>. In accordance with the provisions of Section 1.420 of the Commission's Rules and Regulations, an original and four copies of all comments, reply comments,
